# Isgec as a good Corporate Citizen is persistently working to address ESG topics

Transitioning to a comparatively clean fuel (shift from Diesel to RLNG) in our factories

Over the years, increased the mix of renewable energy in total capacity

Significantly decreased the water consumption

Managing the waste water efficiently through STP cum ETP

Promoting circular economy by reusing scrap and minimising the amount of waste

Utmost importance to the health and safety for everyone working at the site or factory

Ensuring no human rights get violated across operations

Regular trainings on skill upgradation

Formulating policies on all good governance aspects

Appropriate systems and processes in place to address grievance of all stakeholders
