

BOILER MANUFACTURING & PIPING

A wide-angle, high-angle photograph of a large industrial manufacturing facility. The floor is filled with rows of long, dark metal pipes and components, organized into neat stacks. Several workers in blue uniforms and yellow hard hats are visible, engaged in various tasks. In the foreground, a worker is using a grinding tool, creating a bright spray of sparks. The facility has a high ceiling with blue structural beams and yellow safety railings. A green and yellow striped safety line runs down the center of the floor. In the background, a large red structure, possibly a boiler component, is visible. A blue scissor lift and a red scrap bin labeled 'SCRAP/स्क्रैप' are also present on the right side of the image.

Modular Piping & Skids**

ENGINEERING FOR EXCELLENCE

*Boiler Pressure Parts Plant at Rattangarh (Haryana) India
The Plant has a covered Shop Area of 16,650 sq.m.
We also have additional adjoining land area for quick & easy expansion*

*A Google Earth view of the Isgec Plant
at Yamunanagar (Haryana), India*

*Head Office at Noida
(a suburb of New Delhi), India*

*Isgec Plant at the port town of Dahej (Gujarat) India.
The shop has been set up especially for the manufacture
of large and heavy equipment for the overseas market*

Overview

Isgec Heavy Engineering Ltd. is a multi-product, multi-location, public company that has been providing engineering solutions to customers around the world for the past 80 years. Our diversified product portfolio includes, EPC Projects, Green Energy & Industrial Boilers, Utility Boilers, Air Pollution Control Equipment, Sugar Plants & Machinery, Process Equipment, Presses, Castings, Metal Cutting Machinery & Contract Manufacturing.

Isgec has set up nearly 700 Boilers across 48 countries and has a state-of-the-art facility to manufacture & supply a wide variety of Boiler Pressure Parts and Modular Piping & Skids.

Products

Boiler Pressure Parts

Coils

(Super Heaters, Economizers & Evaporators etc.)

Membrane Wall Panels

Headers

Boiler Bank Tubes

Assemblies & Bundles

HRSG Modules

Super Heater Bundles

Evaporator Bundle Assembly

Fire Heater Bundles

Pre-Fabricated Piping Spools

Power Plant Piping

(Critical HP/LP Piping)

Process Piping

(for Fertilizer, Refinery & Chemical Plants)

Induction Pipe Bends

Cold Pipe Bends Assembly

Major Customers

CMI

TOSHIBA

Alstom

GE

Doosan

Man Diesel

Larsen & Toubro

Hitachi Zosen Corp.

SAIL

Products

Coils

Membrane Panel with Evaporator Coil Assembly

Economizer Bundle Assembly

Super Heater Coils

SSH Coils

Panels

Bed Coil Assembly

CFBC, Semi Assembly Cross Over Duct

CFBC, Fully Assembly Cross Over Duct

Compact Separator Roof Wall Panel Assembly

Piping

Economizer Header

Super Heater Header

Primary Super Heater Header

Induction Pipe Bend Spool

Main Stream Piping Spool

Compressor Piping Spool

Compressor Piping Spools

Pre-Fabricated Piping Spool

Infrastructure

Shop Area - Tubing : 16650 sq.m. (Covered)
Shop Area - Piping : 10440 sq.m. (Covered)

Maximum Size : 22.5 (W) x 9 (H) x 370 (L) M
Capacity / month : 1350 MT

8 Head SAW Panel Welding Machine

Membrane Panel Bending Machine

Straight Tube Butt Welding Machine

Dual Radii & Dual Direction System Bender

CNC Pipe Beveling Machine

CNC Pipe Profile Cutting Machine

Column & Boom SAW Welding Machine

Heat Treatment Furnace

Hot Pipe Bender

Pipe OD : Max 630 mm to Min 102 mm

Wall thickness : 6 to 60 mm

Max pipe length : 12000 mm

Bend Radius : Min 2D to Max 3000 mm

Direction of Bending : Clockwise

Material : CS, P11, P22, P91, SS

Ovality : Max 0.8%

Thinning : Max 12.5 %

Cold Pipe Bender

Pipe OD : Max 219 mm to Min 88.9 mm

Wall thickness : 4 to 25 mm

Max pipe length : 12000 mm

Bend Radius : Min 3D to Max 1000 mm

Direction of Bending : Clockwise

Material : CS, P11, P22, P91, SS

Ovality : Max 0.6%

Thinning : Max 10%

180 Mwe Pulverized Coal Fired Boiler with Reheat firing 100% Indonesian Coal & 100 % Indian Coal for OPG Power Generation Pvt. Ltd., Chennai, India

Isgec Offerings

Boilers

EPC Projects

Sugar Plants & Machinery

Air Pollution Control Equipment

Process Equipment

Presses

Castings

Contract Manufacturing
